

Self Declaration of Compliance with ISO 31000:2018 Risk Management Guidelines

Acumen Aviation CAMO hereby declares that its Risk Management System has been internally reviewed and audited against the principles and guidelines of ISO 31000:2018 (Edition 2).

This internal review was independently evaluated by ISO.IRL and confirmed to be fully aligned with the requirements and guidance set out in ISO 31000:2018 Risk Management - Guidelines (Edition 2).

Please note that ISO 31000:2018 is a guidance standard and, as such, is not currently subject to accredited certification.

Furthermore, our ISO 9001:2015 Quality Management System certification has been formally annotated by ISO.IRL to state "Supported by ISO 31000:2018 Risk Management."
