About Us:

Acumen Aviation:

Acumen is an aircraft asset lease manager with a global platform, established in 2009, headquartered in Ireland with offices in India, China and the USA. Acumen's management team has over 300 years of cumulative experience with a permanent staff of over 90 people. Acumen offers a full range of services throughout the lifecycle of the aircraft including aircraft sourcing, pre-purchase inspections (physical and records), project management, lease management, re-marketing, fleet audits, aircraft trading, powerplant management, aircraft valuations and CAMO services. Its customers include aircraft lessors, airlines, banks, private equity and investors.

CMS Business School:

Jain (Deemed-to-be University) is one of the top private universities in India that draws students from more than 25 countries to one of the world's fastest growing cities – Bangalore, empowering students to challenge conventional thinking and pursue original ideas. It is a destination for highly ambitious students who want to excel in their career and become experts in their areas of interest. It continues to advocate creativity, innovation and sportsmanship and takes pride in having produced several inspiring personalities. A deemed university for eight years, it has steadily managed to clinch top positions in various ranking surveys.

Instructors

Manish Kumar Singh SVP– Special Projects

Manish Kumar Singh is an experienced professional having successfully delivered several key Re-delivery, Mid- Term, Sales assistance and Pre-purchase projects. Associated with Acumen since 2009, Manish previously has worked for BBAM LLC as consultant, Air-France Industries KLM Engineering & Maintenance as aircraft service engineer.

Vishwanath Hampanna VP- Training

Vishwanath has over 28 years of experience in technical training domain with leading airlines in India. Vishwanath is well versed at running mid-term inspection courses to experienced maintenance personnel who go on to successfully migrate to either asset management companies as technical inspectors or to become members of Acumen's in-house technical asset management team.

Jack Judge Senior Technical Asset Manager

Jack Judge is a senior asset manager based out of Acumen's Dublin office and is responsible for managing some of Acumen's key accounts. Jack has 13 years of experience in the industry balanced between manufacture, overhaul, airline operations and leasing.
