Objective

This four-day (2.5-hour sessions daily) instructor led online certificate program specifically designed to equip the candidates with detailed understanding of the skills and knowledge required to learn how to inspect an aircraft. This includes the review of aircraft records and an inspection of the physical condition of aircraft during purchase. These activities form an essential part of any used aircraft transaction from the perspective of the buyer and the seller.

Learning Outcomes

Upon course completion, participants will have an understanding of:

- Aircraft pre-purchase/sales requirements
 - Asset overview
 - Aircraft configuration assessment
 - Physical inspection and records review
 - Sales assistance for pre-purchase inspection
 - Report generation
-

Who Should Attend?

- Experienced aircraft maintenance/Licensed engineers/ personnel who are wishing to shift their career to leasing industry.
 - Technical representatives / inspectors
 - Engineers /AME diploma holders with experience in planning / quality control/ Powerplant
 - AME diploma holders with on job training experience with commercial airlines
 - Senior executives from the airline, leasing and financial institutions.
-

About Us

Acumen Aviation

Acumen is an aircraft asset lease manager with a global platform, established in 2009, headquartered in Ireland with offices in India, China and the USA. Acumen's management team has over 300 years of cumulative experience with a permanent staff of over 90 people. Acumen offers a full range of services throughout the lifecycle of the aircraft including aircraft sourcing, pre-purchase inspections (physical and records), project management, lease management, re-marketing, fleet audits, aircraft trading, power plant management, aircraft valuations and CAMO services. Its customers include aircraft lessors, airlines, banks, private equity and investors.

CMS Business School

Jain (Deemed-to-be University) is one of the top private universities in India that draws students from more than 25 countries to one of the world's fastest growing cities – Bangalore, empowering students to challenge conventional thinking and pursue original ideas. It is a destination for highly ambitious students who want to excel in their career and become experts in their areas of interest. It continues to advocate creativity, innovation and sportsmanship and takes pride in having produced several inspiring personalities. A deemed university for eight years, it has steadily managed to clinch top positions in various ranking surveys.

Instructors

Amit Tyagi
CIO

Amit joined Acumen in 2009 and, as Chief Intelligence Officer (CIO), leverages his expertise as a certified ISTAT appraiser. This is combined with a wealth of over Seventeen years of technical and commercial experience in the aviation sector supporting the needs of a sophisticated and diverse clientele.

Vishwanath Hampanna
VP- Training

Vishwanath has over 28 years of experience in technical training domain with leading airlines in India. Vishwanath is well versed at running mid-term inspection courses to experienced maintenance personnel who go on to successfully migrate to either asset management companies as technical inspectors or to become members of Acumen's in-house technical asset management team.

Lakshmi Sarangan
GM – Aircraft Transitions

An astute and dedicated professional, Lakshmi is a specialist in aircraft end of lease term process having managed many successful redeliveries for global leasing companies. She works from Acumen India office as GM-Aircraft Transitions and has 20 years of combined maintenance and technical asset management experience in the aviation industry

Other certificates & post graduate program in aircraft leasing and finance sector

Acumen has acquired significant professional expertise in aircraft asset management sector over the years. To address knowledge and skill gaps of the workforce within this sector, these programs provide an opportunity for aviation professionals to upskill.

Course design is based on Training Need Analysis (TNA) and expertise. Participants will learn through live interactive sessions, case studies and assignments.

All these courses will be held online and are instructor led
