About Us

Acumen Aviation

Acumen is an aircraft asset lease manager with a global platform, established in 2009, headquartered in Ireland with offices in India, China and the USA. Acumen's management team has over 300 years of cumulative experience with a permanent staff of over 90 people. Acumen offers a full range of services throughout the lifecycle of the aircraft including aircraft sourcing, pre-purchase inspections (physical and records), project management, lease management, re-marketing, fleet audits, aircraft trading, power plant management, aircraft valuations and CAMO services. Its customers include aircraft lessors, airlines, banks, private equity and investors.

CMS Business School

Jain (Deemed-to-be University) is one of the top private universities in India that draws students from more than 25 countries to one of the world's fastest growing cities – Bangalore, empowering students to challenge conventional thinking and pursue original ideas. It is a destination for highly ambitious students who want to excel in their career and become experts in their areas of interest. It continues to advocate creativity, innovation and sportsmanship and takes pride in having produced several inspiring personalities. A deemed university for eight years, it has steadily managed to clinch top positions in various ranking surveys.

Instructors

Alan Webber
CTO

Alan, with more than 30 years' experience in technical management, is responsible for the direction and successful management of Acumen's array of technical services. Prior to the role of CTO, Alan was Senior Vice President of Acumen's EMpower Engine Services division, where he proved to be instrumental in shaping its structure and focus. Prior to joining Acumen, Alan held the positions of Group Engineering Director, Managing Director and has previously worked for Royal Aero GmbH and in techno-commercial roles with Rolls Royce, British Airways, Virgin Atlantic and Volvo Aero.

Amit Tyagi
CIO

Amit joined Acumen in 2009 and, as CIO, leverages his expertise as a certified ISTAT appraiser. This is combined with a wealth of over seventeen years of technical and commercial experience in the aviation sector supporting the needs of a sophisticated and diverse clientele. Amit is responsible for the management of assets on behalf of investors and provides asset market insights, life-values and risk and ownership assessments. He holds a Bachelor degree of Aeronautical Engineering, B.Sc. (PCM), BAMEL (EIR). Amit is Pursuing GMAE from IIM Bangalore, MBA Programme which is in collaboration with Toulouse Business School, France.
